

FUND STRATEGY

The investment objective of the Fund is to provide a fixed-income stream while seeking to enhance returns through a dynamic and prudent portfolio management approach. The Fund is focused on the Lebanese debt markets and invests mostly in Lebanese Republic Eurobonds, but also benefits from BDL Certificates of Deposit, T-Bills in LBP (max. 15% allocation), notes in both USD and local currency and debt instruments issued by local institutions, as well as cash or cash equivalent through local bank deposits.
